Home Agent's Notes

By Mrs. B. G. Anderson
Appomattox Home Agent

The following letter is from Mrs. F. F. Carr, president of the Virginia Federation of Home Demonstration Clubs, regarding an essay contest that we hope some from the county will try for:

"The following letter from Mrs. John Bell, General Secretary of the Associated Country Women of the World, gives information concerning another essay contest sponsored by the A. C. W. W. This contest concerns the United Nations. I hope some of your club members will enter.

"To give people all over the world an opportunity to visit the United Nations Headquarters in New York, and other centers, the United Nations is organizing an essay competition open to men and women over 20 who are keenly interested in the United Nations.

"The subject of the 1955 Essay Competition is: 'Review and evaluate what non-governmental organizations (i. e. Voluntary Associations) have done in your country or area to improve public understanding of the United Nations in the past ten years.'

"The length of the essay must not exceed 2,500 words. Further details can be obtained from your local United Nations Associations, American Association for the United Nations, 345 East 46th Street, New York 17, N. Y.

"The Awards: First: Seven first prizes will be awarded by the International Jury, each representing a stay of four weeks at United Nations Headquarters in New York starting on 15th September, 1955, and an expenses allowance of $15 a day. No more than one prize will be awarded per country.

"Second: Prizewinners are offered a two-weeks' stay in a regional center of United Nations activity such as Geneva or Bangkok, with expenses allowance. These prizes must be utilized between 15th September and 31st December, 1955.

"Prizewinners will be notified not later than 1st July, 1955.

"It is known that the closing date for the essay competition in one country at least is 30th April, 1955, so those who are interested are advised to make immediate enquiries at their United Nations Association or Information Centre.

"It has come to my attention that several counties are planning trips to the United Nations this spring. I am delighted to hear this and thought you would like to have the information on the essay contest before you go to the U. N."

We hope that we may have some essays to send in from Appomattox County. Remember, closing date is April 30.

MOST WOMEN LIVE LONGER THAN MEN

OUR MAN STANLEY, who gets around, tells us that the U. S. Public Health Department reports women average 71.8 years and men average 65.9 years.

SO IF THE LITTLE WOMAN is figured to out-live you, maybe our "WIFE SAVER" theme is all wet. We're talking about *automatic* **Electric Water Heaters** because we have heard that many John K. Husbands help her "do the dishes," which is also a "WIFE SAVER."

BE THAT AS IT MAY, it is a known fact that a constant and plentiful supply of *hot* water makes every cleaning task so much easier for all concerned . . . including dishes, pots and pans . . . and thereby becomes a "HUSBAND SAVER" too!

AHS Newscast

By Jane Holt

Appomattox, Virginia
April 5, 1955

Dear June,

Well, I must tell you of the most enjoyable time we students had at Model Assembly. Our bill, to require all students and faculty members to take a course in civil defense, was passed in the Senate. Because of several other bills concerning civil defense, ours did not get out of the House committee. However, a civil defense bill was passed. Edna Gregory, who served as president pro tempore of the Senate, was asked to go to a committee meeting on juvenile delinquency with some state members. Edna was quoted many items from her various comments. We were indeed very proud of her as a representative from our school. As most of us who attended Model Assembly were Seniors we have a pleasant memory to remind us of our school days. I only hope that through the years the students who go to Model Assembly will gain as much knowledge as we have.

The first round of the popularity contest was ended Friday. These five winners will be contestants for Miss Appomattox High School: They are: Roberta Harvey, 12th grade; Ellen Carter, 11th grade; Yvonne Ferguson, 10th grade; Clydie Campbell, 9th grade; Ida Covington, 8th grade. We have a very fine group of contestants here. Best of luck, girls.

The Senior play is still progressing quite well. We are having practices every night at the present. Most of us know our parts, thus making it possible to achieve more at practice. The play will be presented April 14th. I do hope that a great many people will be able to attend. Will you be here that week-end?

Our baseball team, led by Teddy Mitchell as captain, got off to a great start by defeating New London, 12 - 6 last Wednesday. This afternoon the A. H. S. team will journey to Brookville, where they will play their only game of the week. We sure hope that they will be able to maintain the record they have established thus far.

The S. C. A. met this morning. During the meeting today they discussed and revised the present handbook. They are in hopes of having the handbook reprinted around the first of May. Also the student council is planning to have a Sadie Hawkins day. This project, however will be more thoroughly discussed at the next meeting.

This concludes the news around A. H. S. for now. Be looking for more news next week, same time.

'Til then,
Jane.
